

Home & Family Category

Family Care

1. Show that you are able to look after yourself, your home, and your family for a short period of time.
 - a) Be able to safely operate the appliances in your home (e.g. stove, microwave, oven, vacuum, washing machine, etc.);
 - b) Be able to plan, purchase, and prepare a meal;
 - c) Keep your home neat and clean.

2. Explain and be able to carry out, the daily routine of running your family home (i.e. wake-up time, meal time, family chores, bed time, etc.).

3. Because family sickness may be the reason you'll have to look after the home, show that you have a general knowledge how to look after sick people. Also, show that you know the principles of personal cleanliness, and home sanitation.

Home Repair

1. Be able to identify trouble, and make the necessary repairs to four home projects (e.g. leaking faucet).

2. Demonstrate the safety precautions required for each project.

3. Show how to safely operate and maintain any three hand tools, and any two power tools used in your home repair projects.

4. In all projects, demonstrate that you have finished the job in a competent manner, and have cleaned up the tools and the job site.
